EPA is committed to working closely with response agencies and state and local officials to ensure the safety of citizens, respond to concerns and to evaluate impact to water contaminated by the Gold King Mine Release. EPA is sharing information as quickly as possible with the public as experts work to evaluate any effects the spill may have on drinking water, public health, agriculture, fish and wildlife. Please see our website for the latest information: <http://www2.epa.gov/goldkingmine>  
Regular updates will be posted as they are available.  
EPA Hotline: 844-607-9700

Comments:  
EPA,  
I work for a flexible packaging company, Strategic Packaging Systems, LLS (SPS) that has filtering and dewatering capable systems that may be beneficial to your continued clean-up operations. Whom would I contact to discuss further? Please let me know. Thanks.  
Sincerely,  
Paul
